

What to think about when moving out!

Your contract has been cancelled already when you sign it. If you wish to change your cancellation date you must give notice in writing **at least 1 calendar month before moving out** (e.g. notice given at the end of February, pay March and move out end of March).

Please note that this only applies if you wish to terminate your contract early, **if you wish to extend your stay** you need to **contact University West**, Eidar are not allowed to extend your contract without their approval.

You can only terminate your contract to the last day of a month, no other dates allowed. E-mail your termination to uthyrningen@eidar.se or visit our office on Lantmannavägen 92.

Your apartment will be inspected after departure, you will be held responsible for the cost of necessary repairs if it should be any damages. You have the responsibility to clean your room and the shared areas before leaving. If you have any questions about the inspection send an e-mail to student@eidar.se

The apartment keys must be returned at **Eidar Center at Granngården, Lantmannavägen 92, no later than 11.00 am the day of vacating the apartment.** Our office is closed during evenings and weekends, if you need to leave your keys at a time that our office is closed please send an e-mail to student@eidar.se and we will guide you how to return your keys during out of office hours.

Best regards,
AB Eidar, Trollhättans Bostadsbolag
